Jo,

Thanks for the update. Site attorney will not start negotiations with PRP's until EPA has all removal bills (including CBI's final bill).

Am I correct, the below referenced CBI final bill will be the last contractor invoice with charges that will be billed to the EPA for the completed removal action at this Site?

Jo Ann

I am so sorry. I was out of pocket until yesterday. The final invoice is being prepared and will be submitted within the week. The amount to be invoiced is approximately 122K. The remaining amount from the TO should be viewed as being de-obligated from the TO amount.

Jo,

What is the status of final bill from Chicago Bridge & Iron (CBI). Is the final bill now reflected in SCORPIOS?
